*To Whom It May Concern re: Unlawful Trespass of Land adjacent to Spencer House  
Vale Of Health London NW3 1AU*

Dear Sir and Madam,

In early 2012 I was without a home, when Timea Tallien, a friend I met through the Victoria and Albert Museum, suggested that I could stay in her old studio caravan. I then met Robbie at the South Fairground Site, and he invited me to live there, in return for a small contribution that covered bills. Robbie who was living in his maintenance hut, informed me that he was invited onto the land by Mr Frishman in 2004, and that before that planning permission on the land was refused.

I live next door to an elderly painter, called David. The South Fairground site, is an excellent place for artists, because of its natural beauty and quietness. [REDACTED]
