2018/5647/T	Barbara Kalu	04/12/2018 13:23:34	COMMEHMP ER	Dear Sirs, I refer to planning application 2018/5647/T. I have read and agree with all the comments made by Mr Tom Ginot in his response to the application as well as Ms Patricia Williams. The tree provides screening between the properties within its radius. I note that no proposals are made to plant replacement trees. Number 3 Inglewood Road is a property divided into numerous bedsits. The true reason for the application appears to be an attempt to save the owners money by taking away the need to occasionally prune the tree, and maximise profit over the benefit provided by the tree to all nearby residents, insects, birds and the environment generally. I urge the Council to serve a TPO to further protect the tree.
