2018/5125/P	Maureen Woodeson	05/12/2018 13:03:29	COMMENT	<p>I hereby wish to oppose this development.</p> <p>The extension is an enormous intrusion into [REDACTED] Much green space and trees will be lost. This affects birds and small animals. Neighbouring residents will lose the green aspect that they currently enjoy. The green tract of land between Dennington Park Road and Kingdon Road is beautiful. It should be preserved as should other similar spaces in this neighbourhood.</p> <p>The architectural integrity of the whole rear facade of the block will be changed. It should be preserved. This is a proposal that only benefits one owner (greed). It adds nothing to the availability of housing in Camden.</p> <p>I see no reason to enlarge the basement flat when all flats in this area would be about the same size and we all live comfortably within them.</p> <p>My garden and rear aspect is [REDACTED] the planned development.</p> <p>Maureen Woodeson</p>
