Dear Charlotte Meynell,

[REDACTED] have a direct view of the top floor of 10 York Rise. I've seen the plans that Deborah and Heini Schneebeli proposed for the top floor, and fully support their application. I'm greatly in favour of the reconfiguration of the windows they propose - it means there will be less glass and therefore less overlooking of neighbours.

I confess I'm totally baffled as to why you wouldn't recommend approval for this, a simple piece of good architecture. I hope very much you'll reconsider.

yours

Ursula Owen OBE
