Application regarding 58a Redington Road, London NW37RS 2018/5112/P

[REDACTED]

I have seen the above application for a four storey building on the present semi detached house situated there.

I would object on the grounds of the height being inappropriate, and the possible difficulty caused to my foundations as a result of any excavations

I am also concerned about traffic effects of such a construction, to be done at the same time as developments to number 52 and 66

I draw attention to the disruption to traffic caused by the recent year long work to number 93.
