Dear Mr Whittingham

I understand that it is now suggested that this application be put before the Members' Briefing Committee and dealt with under delegated powers.

I do not believe that this is appropriate as there are objections to this application from the owners of every property adjoining 13/15 Johns Mews.

We remain concerned that the proposed excavation of a basement adjacent to our 250-year-old listed building has the potential to cause significant damage to our property and we object to the proposed works to the party wall our building at [REDACTED] John Street shares with 15 Johns Mews.

Given the above, I believe that the application should be put back before the Planning Committee so that the Committee are able to consider our objections.

Yours sincerely,

Robert Bingham
