2018/5480/P	Sara Feilden	12/12/2018 10:57:20	COMMNT	I think this dormer window is completely unacceptable. The size and design are completely out of kilter with other dormer windows in this 'conservation area' street. I see they are applying for retrospective planning permission. Presumably this means the original permission was not for something as large and ugly as the construction now in place. I hope they will be made to remove it.
