2018/5461/P	B White	13/12/2018 17:42:45	OBJ	<p>I am strongly opposed to this oversized and innaproprate planning proposal.</p> <p>The proposed development:</p> <ul style="list-style-type: none"><li>* is grossly oversized for the plot</li><li>* does not respect or preserve the historic pattern and established townscape of the surrounding area including the ratio of built to unbuilt space</li><li>* is apparently a waste of Camden planning departments time as a near identical plan has previously been refused by Camden and then additionally by an Inspector upon appeal.</li><li>* is entirely out of keeping with the building style of Falkland place</li><li>* is not secondary to the building being extended in terms of location, form, scale, proportions, dimensions or detailing;</li><li>* would raise concerns that it is intended as an "Air B &amp; B factory"</li></ul>
