Details of the pre-application advice received

Original advice given was that a large front dormer like exists at 32, 33 and 34 Oppidans road would be unacceptable in principle. However during the site visit on the 20th September the planning Officer spoke to the applicant and it was believed there may be some scope for a much more modest front dormer which related to the scale and positioning of the windows below.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
