| REVISION | D | C | DATE |
|----------|---|---|------|
|          |   |   |      |

The contractor is responsible to ensure that no products are to be utilized that do not comply with relevant British and/or European Standards and/or Codes of Practice, British Regulations, Construction Regulations, or which are known or suspected at the time of product selection to be in breach of any applicable laws, regulations, codes of practice, or standards, or which do not conform with good building practice.

The contractor is responsible for checking dimensions, tolerances, levels and references. The contractor shall be responsible for ensuring that the drawings are in accordance with the works on site or shop drawings.

When a item is covered by drawings to different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figure dimensions to be worked to in all cases.

This drawing and the copyright and patents therein are the property of Baily Garner LLP and may not be used or reproduced without consent or attribution.
