

Existing Rear Elevation

Proposed Windows

The contractor is responsible to ensure that no products are to be utilized that do not comply with relevant British and/or European Standards and/or Codes of Practice, British Regulations, Construction regulations, or which are known or suspected at the time of product selection to be in breach of any applicable laws, regulations, codes of practice, standards, or safety or to the durability of the work or not in accordance with good building practice.

The contractor is responsible for checking dimensions, tolerances, levels and references. The drawings are to be used as a guide only. Any discrepancy to be notified to Bally Garner LLP and rectified before proceeding with the work on site or shop drawings.

Where an item is covered by drawings to different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figure dimensions to be worked to in all cases.

This drawing and the copyrights and patents therein are the property of Bally Garner LLP and may not be used or reproduced without consent or attribution.
