Hi Jonathan,

This seems like a situation where the planning consultant isn't actually very well briefed on the implementation of the scheme.

As shown in the attached email, since the formal planning response, we have started the S278, met the applicant on site, and our arboriculture team have agreed to the applicant's schedule of tree works.

So we're dealing directly with 8build going forward, and I think it's appropriate for the planning condition to be discharged.

Have fun in NZ at Christmas!

Thanks,
Gavin McLaughlin | Principal Planner
