Our ref: 5ADP 566

Dear Sirs

13 ST. AUGUSTINES ROAD, NW1 9RL

Please find attached documentation concerning details of the proposed front boundary gate and railings. This is in response to condition 4. of the approved scheme for which permission was granted on the 28th September 2018 (2018/2928/P). The following documents are provided in support of this submission:

- Plans as approved (5ADP 566-02F - 3 sheets) – Scale 1:10.
- Photo of proposed railings.

The plans are in scale 1:10, as requested, when viewed on an A3 sheet.

The proposed railings and gate, as per attached photo, taken a few doors up from the application site, will be made of cast iron and painted black, with dimensions to match.

There are several examples of such railings along St. Augustines Road and as such, there should be no objection to this design as a suitable replacement from what is currently in situ.

We trust this information meets with your approval. Should you require any further information or clarification, please do not hesitate to contact us.

Yours faithfully

5 Arches Design & Planning

Matthew J. Scholes
