Dear Sir,

I understand that it is no longer possible to formally comment on this planning application.

Nevertheless I would like to add my support to the application. I live in neighbouring Highfields Grove.

I hope the council will take into account the desperate need in this area and London as a whole to build more houses. I also hope that the council will bear in mind that in N6 and in NW3, everybody objects to everything. This chronic nimbyism is partly to blame for what is the worst housing crisis affecting our city in modern times.

I have no connection with the applicants.
