| 2018/5480/P | R D Bourn | 28/12/2018 10:50:49 | COMMNT | The front and back dormers as built, and for which retrospective planning permission is now being sought, are too large.They are out of proportion with the existing, original windows and make the house out of proportion with the rest of the terrace. The terrace is in a conservation area. |
