2018/6013P	Thomas Budd	01/01/2019 18:21:55	COMMENT	I object to the proposed omission of the two gable roofs. I live in Lancaster Grove near no. 18. The house that has been constructed differs substantially from the structure originally authorised in the initial planning permission. It is unsightly and out of keeping with other buildings in Lancaster Grove. The proposed modifications would exacerbate the problem.
2018/6013P	Barrie Tankel	01/01/2019 14:59:23	OBJ	I [REDACTED] can clearly see the stark front elevation. I object to the omission of the two gable roofs. This house originally received planning permission as an Arts and Crafts house and now we have are faced with a stark brick modernist box totaly out of keeping with this beautiful conservation area.
