

Dear Tree Officers and Planners,

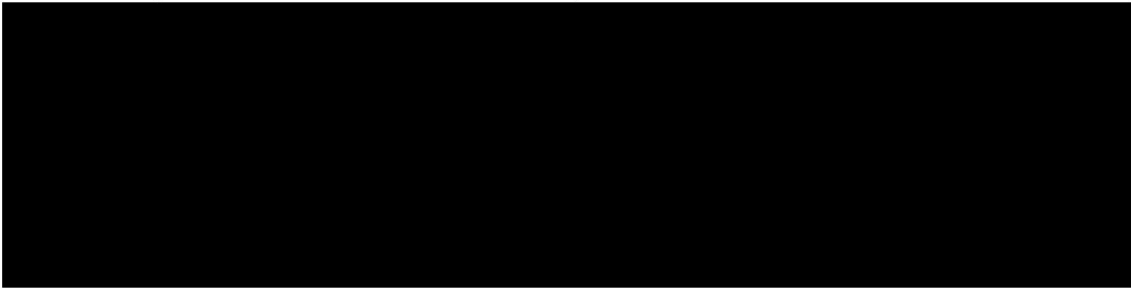

First may I wish you all a Happy New Year!

List 509

2018/6184/T 9 Dartmouth Park Avenue

I think that the application may, from the drawing, refer to the front garden felling of the Leyland Cypress, not the rear. The tree does add amenity value to the street, and complements the Yew diagonally opposite. However, if you decide it should be felled, I will not object.

Thank you,

Eileen
