

68 Highgate Road – Door specification (December 2018)

New doors to be made from seasoned softwood by Kerry’s Reclamation. All doors are bespoke and based upon measurements and details from the original building. Doors will have a painted finish. Door photographs shown below are indicative only as mouldings will replicate those on the pre-existing doors at 68 Highgate Road.

Door Schedule – detailed design has been informed by the pre-existing photographs

	Four panelled door with mouldings to both sides	Four panelled door with mouldings to the landing side and plain recessed panels to the room side	Four panelled door with plain recessed panels to both sides with no mouldings
Ground Floor – front and rear room, bathroom and utility room	X		
1 st Floor – front and rear rooms	X		
1 st Floor – bathroom		X	
2 nd Floor front and rear rooms and bathroom			X
