Reason: for the avoidance of doubt and in the interest of proper planning.

- 3 All non-Road mobile Machinery (any mobile machine, item of transportable industrial equipment, or vehicle - with or without bodywork) of net power between 37kW and 560kW used on the site for the entirety of the [demolition and/construction] phase of the development hereby approved shall be required to meet Stage IIIA of EU Directive 97/68/EC. The site shall be registered on the NRMM register for the [demolition and/construction] phase of the development.

Reason: To safeguard the amenities of the adjoining occupiers, the area generally and contribution of developments to the air quality of the borough in accordance with the requirements of policies G1, A1, CC1 and CC4 of the London Borough of Camden Local Plan 2017.

- 4 At least 28 days before each phase of the development hereby permitted commences (excluding demolition works) a written detailed scheme of assessment consisting of site reconnaissance, conceptual model, risk assessment and proposed schedule of investigation must be submitted to the planning authority. The scheme of assessment must be sufficient to assess the scale and nature of potential contamination risks on the site and shall include details of the number of sample points, the sampling methodology and the type and quantity of analyses proposed. The scheme of assessment must be approved by the LPA and the documentation submitted must comply with the standards of the Environment Agency's Model Procedures for the Management of Contamination (CLR11).

Reason: To protect future occupiers of the development from the possible presence of ground contamination arising in connection with the previous industrial/storage use of the site in accordance with policy A1 of the Camden Local Plan June 2017.

- 5 Additional significant contamination discovered during development shall be fully assessed and any necessary modifications made to the remediation scheme shall be submitted to the Local Planning Authority for written approval. Before each phase of the development hereby permitted is occupied the developer shall provide written confirmation that all works were completed in accordance with the revised remediation scheme.

Reason: To protect future occupiers of the development from the possible presence of ground contamination arising in connection with the previous industrial/storage use of the site in accordance with policies D1 and D2 of the Camden Local Plan June 2017.

- 6 Before work commences on each phase of development (excluding demolition

works), a site investigation shall be undertaken in accordance with the approved scheme of assessment and the written results provided to the planning authority for their approval. Laboratory results must be provided as numeric values in a formatted electronic spread sheet. Before work commences on each phase of the development a remediation scheme shall be agreed in writing with the planning authority and the scheme as approved shall be implemented before any part of the development hereby permitted is occupied.

Reason: To protect future occupiers of the development from the possible presence of ground contamination arising in connection with the previous industrial/storage use of the site in accordance with policy A1 of the Camden Local Plan June 2017.

- 7 Phase 1 of the development hereby approved shall commence (excluding demolition works) in accordance with the details approved on 07/12/2015 which include further intrusive site investigation has been carried out in line with section 3.1 of the Basement Impact Assessment prepared by Engenuiti, dated 4th December 2012. The site investigation results shall be fully assessed and any necessary modifications made to the Basement Impact Assessment, which shall be submitted to the Local Planning Authority for written approval.

Reason: To safeguard the appearance and structural stability of neighbouring buildings and the character of the immediate area in accordance with the requirements of policies A5 and D2 of the Camden Local Plan June 2017.

- 8 The development hereby approved shall only commence (excluding demolition works) in accordance with the appointed suitably qualified chartered engineer (Engenuiti, as per details approved on 23/10/2015) details to inspect, approve and monitor the critical elements of both permanent and temporary basement construction works throughout their duration to ensure compliance with the design which has been checked and approved by a building control body. Details of the appointment and the appointee's responsibilities shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of development. Any subsequent change or reappointment shall be confirmed forthwith for the duration of the construction works.

Reason: To safeguard the appearance and structural stability of neighbouring buildings and the character of the immediate area in accordance with the requirements of policies A1 and D2 of the Camden Local Plan June 2017.

- 9 Manufacturer's specification details of the facing materials to the mansard on 23-25 Denmark Street (to be submitted to the Local Planning Authority) and samples of those materials (to be provided on site) for Buildings A and B shall be submitted to and approved in writing by the Local Planning Authority before the relevant part of the work is begun:

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the Camden Local Plan June 2017.

- 10 Prior to commencement of each phase of the development (excluding demolition works), detailed design and method statements for all of the ground floor structures, foundations and basements and for any other structures below ground level, including piling (temporary and permanent), shall be submitted to and approved in writing by the Local Planning Authority which:

(a)Accommodate the proposed location of the Crossrail structures and tunnels,
(b)Accommodate ground movement arising from the construction thereof, and
(c)Mitigate the effects of noise and vibration arising from the operation of the Crossrail railway within the tunnels.

The method statements to be submitted under this condition shall include arrangements to secure that, during any period when concurrent construction is taking place of both the development hereby permitted and of the Crossrail structures and tunnels in or adjacent to the site of that development, the construction of the Crossrail structures and tunnels is not impeded.

The development shall be carried out in all respects in accordance with the approved design and method statement, and all structures and works comprised within the development hereby permitted which are required by the approved design statements in order to procure the matters mentioned in paragraphs (a) to (c) of this condition shall be completed, in their entirety, before each phase of the development hereby permitted is occupied.

Reason: To ensure that the development does not impact on the Crossrail in accordance with London Plan Policy 6.1 and 6.2, 2011 Table 6.1 and 'Land for Industry and Transport' Supplementary Planning Guidance 2012

- 11 No works below ground level comprised within the development hereby permitted shall be undertaken at any time when Crossrail are undertaking tunnelling or excavation works within 100 metres of the land on which the development hereby permitted is situated, unless specifically agreed to in advance, and in writing, by Crossrail Limited.

Reason: To ensure that the development does not impact on the Crossrail in accordance with London Plan Policy 6.1 and 6.2, 2011 Table 6.1 and 'Land for Industry and Transport' Supplementary Planning Guidance 2012

- 12 Prior to commencement of each phase of the development (excluding demolition works), detailed design and method statements (developed in consultation with London Underground) for all of the foundations, basement and ground floor structures, or for any other structures below ground level, including piling (temporary and permanent), shall be submitted to and approved in writing by the Local Planning Authority which:
- provide details on all structures

- accommodates the location of the existing London Underground structures and tunnels (including the Crossrail infrastructure)
- accommodates ground movement arising from the construction thereof
- mitigates the effects of noise and vibration arising from the adjoining operations within the structures and tunnels and
- provide details on the impact on security features within the 'public realm'

The development shall thereafter be carried out in all respects in accordance with the approved design and method statements, and all structures and works comprised within the development hereby permitted which are required by the approved design statements in order to procure the matters mentioned in paragraphs of this condition shall be completed, in their entirety, before each phase of the development hereby permitted is occupied.

Reason: To ensure that the development does not impact on existing London Underground transport infrastructure, in accordance with London Plan Policy 6.1 and 6.2, Table 6.1 and 'Land for Industry and Transport' Supplementary Planning Guidance 2012

- 13 A) No development shall take place in each phase unless it is in accordance with the secured Written Scheme of Investigation approved on 22/07/2015.
- B) No development or demolition shall take place in each phase other than in accordance with the Written Scheme of Investigation approved under Part (A).
- C) Each phase of the development shall not be occupied until the site investigation and post investigation assessment has been completed in accordance with the programme set out in the Written Scheme of Investigation approved under Part (A), and the provision made for analysis, publication and dissemination of the results and archive deposition has been secured.

Reason Heritage assets of archaeological interest may survive on the site. The planning authority wishes to secure the provision of archaeological investigation and the subsequent recording of the remains prior to development, in accordance with recommendations the requirements of policy D2 of the Camden Local Plan June 2017.

- 14 Detailed drawings in respect of the following shall be submitted to and approved in writing by the Local Planning Authority before the relevant part of the work is begun:
- a) Elevation and sections at 1:10 of all ground floor windows (including jambs, head and cill), external doors and shutters for 4 Flitcroft Street;
 - b) Elevation of new gates to Denmark Place of 1:10 with finials at 1:1,
 - c) Plan, elevation and section drawings of all new dormer windows on 22-25 Denmark Street at a scale of 1:10.
 - d) Elevation and sections at 1:10 of all new windows (including jambs, head and cill), external doors and for 17-21 Denmark Place.
 - e) Elevation and section at 1:10 of new shopfronts and sections at 1:2 through stallriser and fascia on the ground floor of York and Clifton Mansions.

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the Camden Local Plan June 2017.

- 15 Sample panels of the facing brickwork for 17-21 Denmark Place demonstrating the proposed colour, texture, face-bond and pointing shall be provided on site and approved in writing by the Local Planning Authority before the relevant parts of the works are commenced and the development shall be carried out in accordance with the approval given. The approved panel shall be retained on site until the work has been completed.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the Camden Local Plan June 2017.

- 16 Sample panels of the facing brickwork for York and Clifton Mansions demonstrating the proposed colour, texture, face-bond and pointing shall be provided on site and approved in writing by the Local Planning Authority before the relevant parts of the works are commenced and the development shall be carried out in accordance with the approval given. The approved panel shall be retained on site until the work has been completed.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the Camden Local Plan June 2017.

- 17 Manufacturer's specification details of all facing materials (to be submitted to the Local Planning Authority) and samples of those materials (to be provided on site) for Buildings A and B shall be submitted to and approved in writing by the Local Planning Authority before the relevant part of the work is begun:

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the Camden Local Plan June 2017.

- 18 A method statement detailing how the existing pilaster and first floor façade to 21 Denmark Street will be removed, stored and reinstated shall be submitted to and approved in writing by the Local Planning Authority before the relevant part of the work is begun.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the Camden Local Plan June 2017.

- 19 No lights, meter boxes, flues, vents or pipes, and no telecommunications equipment, alarm boxes, television aerials or satellite dishes shall be fixed or installed on the external face of the new building, without the prior approval in writing of the Local Planning Authority.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the Camden Local Plan June 2017.

- 20 Full details of the position, specification in terms of luminance and typical design of fixtures in respect of external lighting are to be submitted to and approved by the Local Planning Authority prior to commencement of the relevant works. The details shall include the provision of street lighting on the facades of the building where possible. The details shall not be implemented other than in accordance with the scheme as approved.

Reason: To ensure a satisfactory standard of visual amenity and a safe and secure environment in accordance with the requirements of policies D1 and D2 of the Camden Local Plan June 2017.

- 21 Before the residential units are occupied sound insulation shall be provided between all B1, A1, A3, A4 floorspace or plant rooms to adjacent floors within the same building or adjacent properties on the same floor, in accordance with a scheme to be submitted to and approved in writing by the Local Planning Authority prior to the commencement of each phase of the development. Zones 1 and 2 of the scheme need to be implemented as per the details approved on 06/05/2016. The use shall thereafter not be carried out other than in complete compliance with the approved scheme.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and TC2 of the Camden Local Plan June 2017.

- 22 Prior to the first use of the premises for the basement venue, A3 or A4 floorspace hereby permitted, full details of a scheme for extract ventilation, including manufacturers specifications, noise levels and attenuation, shall be submitted to and approved by the Local Planning Authority in writing. The use shall not proceed other than in complete accordance with such scheme as has been approved. All such measures shall be retained and maintained in accordance with the manufacturers' recommendations. In the event of no satisfactory ventilation plant and / or machinery being provided, no primary cooking shall take place on the premises.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the Camden Local Plan June 2017.

- 23 No plant or machinery (other than that otherwise approved under condition no. 21 shall be installed on the external parts of the buildings other than in the areas identified within the approved plans.

Reason: To ensure that the appearance of any external plant is compatible with the appearance of the building and the area and to ensure that residential amenities are protected, in accordance with the requirements of policies A4, D1 and D2 of the Camden Local Plan June 2017.

- 24 Noise levels at a point 1 metre external to sensitive facades shall be at least 5dB(A) less than the existing background measurement (LA90), expressed in dB(A) when all plant/equipment (or any part of it) is in operation unless the plant/equipment hereby permitted will have a noise that has a distinguishable, discrete continuous note (whine, hiss, screech, hum) and/or if there are distinct impulses (bangs, clicks, clatters, thumps), then the noise levels from that piece of plant/equipment at any sensitive façade shall be at least 10dB(A) below the LA90, expressed in dB(A).

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the Camden Local Plan June 2017.

- 25 Glazing to the new residential units shall be sufficient to achieve internal noise levels of LAeq, 8hour 30dB in bedrooms and LAeq 16hour 35dB in living rooms as per BS 8233 and the WHO internal noise levels guides and all shall be permanently retained and maintained thereafter, unless otherwise agreed in writing.

Reason: To safeguard the amenities of future occupants in accordance with the requirements of policies A1 and A4 of the Camden Local Plan June 2017.

- 26 Prior to occupation of the urban gallery in building A a lighting report shall be submitted to and approved in writing by the Local Planning Authority detailing how the artificial lighting within the urban gallery (digital screens and any other lighting) shall not increase the pre-existing illuminance (lux levels) at adjoining and/or nearby light sensitive locations when the screens and lights are in operation

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the Camden Local Plan June 2017.

- 27 Prior to occupation of any of the approved uses, a Noise Management Plan shall be submitted to and approved in writing by the Local Planning Authority, having regard to condition 27 and including a noise mitigation strategy, detailing:
- The location and direction of any speakers in the urban gallery;
 - Method of transporting deliveries, refuse and associated servicing to and from the service bays on Denmark Street, including any bottle crushing;
 - Location of smoking areas;

- Location of external tables and chairs;
- The operation of the upper floor louvers to building A and B; and
- The use of the residential roof terrace at 21-25 Denmark Street.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1, A4 and TC2 of the Camden Local Plan June 2017.

- 28 Noise levels emitted from the use of the urban gallery (from the digital screens and associated speakers) shall be as follows:

Between 07:00 and 23:00 hours

1. The A-weighted equivalent continuous noise level (LAeq) emanating, as measured one metre from any facade of any noise sensitive premises over a 5 minute period when the screens and speakers are in use, shall not increase by more than 5dB as compared to the same measure, from the same position and over a comparable period with the screens and speakers not in use.
2. The unweighted equivalent noise level (Leq) in the 63Hz Octave band, measured using the "fast" time constant, inside any living room of any noise sensitive premises, with the windows open or closed, over any five minute period with the screens and speakers in use, should show no increase as compared to the same measure, from the same location(s) and over a comparable period with the screens and speakers not in use

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the Camden Local Plan June 2017.

- 29 Between 23:00 hours and midnight

1. The A-weighted equivalent continuous noise level (LAeq) emanating, as measured one metre from any facade of any noise sensitive premises over a 5 minute period when the screens and speakers are in use, shall not increase by more than 3dB as compared to the same measure, from the same position and over a comparable period with the screens and speakers not in use.
2. The neighed equivalent noise level (Leq) in the 63Hz Octave band, measured using the "fast" time constant, inside any living room of any noise sensitive premises, with the windows open or closed, over any five minute period with the screens and speakers in use, should show no increase as compared to the same measure, from the same location(s) and over a comparable period with the screens and speakers not in use

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the Camden Local Plan June 2017.

- 30 Between midnight and 07:00 hours

1. No sound emanating from the operation of the screens or speakers shall be audible a metre from the facade of the nearest noise sensitive premises.

Reason: To safeguard the amenities of the adjoining premises and the area

generally in accordance with the requirements of policies A1 and A4 of the Camden Local Plan June 2017.

- 31 No music from the roof terraces to Building A or B, hereby approved shall be audible from 1m outside of or on the balcony of the nearest noise sensitive facade.

- 34 None of the A1, A3 or A4 uses hereby permitted shall occur outside of 08:00-01:00 Monday to Sunday. No customers shall be permitted within these premises outside of the approved hours of use.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the Camden Local Plan June 2017.

- 35 None of Sui Generis uses (the urban gallery and basement venue) hereby permitted shall occur outside of the following times: 09:00-23:30 Monday to Thursday, 09:00 - midnight Friday and Saturday; and 09:00-22:30 Sunday. On 104 occasions per year the Sui Generis uses may operate within the following times: 09:00-02:00. No customers shall be permitted within these premises outside of the approved hours of use.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the

Camden Local Plan June 2017.

- 36 The approved roof terraces at sixth floor level to building A (fronting Denmark Place and Charing Cross Road) and at fourth floor level to building B (fronting Andrew Borde Street and the new pedestrian link) shall not be used outside the hours of 08:00 to 22.00, 7 days a week.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the Camden Local Plan June 2017.

- 37 The new and existing pedestrian routes within the site at Denmark Place, linking Denmark Place to Denmark Street; linking Denmark Place to land to the north of the site shall not be used, except as a pedestrian route and entering or exiting buildings between the hours of 23:00 and 08:00 Monday to Thursday, 23:30 and 08:00 Friday and Saturday and 22:30 to 08:00 Sunday.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the Camden Local Plan June 2017.

- 38 The location and height of the proposed CHP flue, including full modelling calculations of NO₂ emissions, necessity of carbon filters and mitigation measures shall be in accordance with the details approved on 30/10/2015 and 09/08/2016.

Reason: To safeguard the air quality in the area general and the amenities of the adjoining premises in accordance with the requirements of policies A1 and CC4 of the Camden Local Plan June 2017.

- 39 The CHP plant hereby approved shall meet the Greater London Authority Standards for NO₂ emissions which are in place at the time of construction. Details shall be implemented in accordance with the details approved on 30/10/2015 and 09/08/2016 and thereafter permanently retained.

Reason: To safeguard the air quality in the area general and the amenities of the adjoining premises in accordance with the requirements of policies A1 and CC4 of the Camden Local Plan June 2017.

- 40 The lifetime homes features and facilities in each relevant part of the approved development, as indicated on the drawings and documents hereby approved, shall be provided in their entirety prior to the first occupation of any of the new residential units within that part.

Reason: To ensure that the internal layout of the building provides flexibility for the accessibility of future occupiers and their changing needs over time, in accordance with the requirements of policy H6 of the Camden Local Plan June 2017.

- 41 Prior to commencement of the relevant part of the work in each phase of the development details of hard and soft landscaping including tree/plant species

and sizes, all hard landscape materials, play structures, and means of enclosure of all unbuilt, open areas shall be submitted to and approved in writing by the Local Planning Authority. Such details shall include details on how the spaces are accessible by all including details on level access, ramp gradients, landings, handrails, step dimensions, colour contrast nosings etc. Implementation of the hard and soft landscaping and the boundary treatment shall be carried out in accordance with the approved details.

Reason: To enable the Local Planning Authority to ensure a reasonable standard of visual amenity in the scheme in accordance with the requirements of policies D1 and D2 of the Camden Local Plan June 2017.

- 42 All hard and soft landscaping works shall be carried out to a reasonable standard in accordance with the approved landscape details by not later than the end of the planting season following completion of the relevant part of the development. Any newly planted trees or areas of planting which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced as soon as is reasonably possible and, in any case, by not later than the end of the following planting season, with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: To ensure that the landscaping is carried out within a reasonable period and to maintain a satisfactory standard of visual amenity in the scheme in accordance with the requirements of policies D1 and D2 of the Camden Local Plan June 2017.

- 43 The details of a biodiverse, substrate-based extensive living roofs to the roof of York and Clifton Mansions and the new building at 19-21 Denmark Place shall be implemented as per the details approved on 02/12/2015. Each phase of the development shall not be carried out otherwise than in accordance with the details thus approved and shall be fully implemented before the commencement of any of the uses hereby approved. This shall include a detailed maintenance plan, details of its construction and the materials used, to include a section at a scale of 1:20, and full planting details. The substrate depth should vary between 80mm and 150mm with peaks and troughs, but should average at least 130mm.

Reason: In order to ensure the development undertakes reasonable measures to take account of biodiversity and the water environment in accordance with policies CC1, CC2 and CC3 of the Camden Local Plan June 2017.

- 44 The details of the PV panels to be used on the buildings shall not be otherwise than as those submitted to and approved by the Council on 02/09/2015. Such details shall include a scale roof plan, elevation, section and manufacturers details. The relevant part of the development shall thenceforth not be occupied without the installation of such technologies. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To safeguard the appearance of the premises, the setting of the neighbouring listed buildings and the character of the conservation area in

accordance with the requirements of policies D1 and D2 of the Camden Local Plan June 2017.

- 45 The secure by design features and facilities in each relevant part of the approved development, as indicated on the drawings and documents hereby approved, shall be provided in their entirety prior to the first occupation of any of the commercial or residential units within that part.

Reason: To ensure that the scheme incorporates crime prevention measures in accordance with the requirements of policy C5 of the Camden Local Plan June 2017.

- 46 A minimum of 50% of the ground floor flexible retail/restaurant floorspace to building B shall be provided as class A1 retail floorspace

Reason: To ensure a minimum provision of retail space and to prevent an over concentration of food and drink uses in this Central London location in accordance with policies TC1, TC2 and TC4 of the Camden Local Plan June 2017.

- 47 Notwithstanding the provisions of Class D of the Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2013 as amended by any Order revoking and re-enacting that Order, no change of use of the ground floor units to Denmark Street, Denmark Place, Charring Cross Road, St Giles High Street or to the new pedestrian routes or the office floorspace shall be carried out without the grant of planning permission having first been obtained from the Local Planning Authority.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and TC2 of the Camden Local Plan June 2017.

- 48 Notwithstanding the provisions of Class A1 or D2 of the Schedule of the Town and Country Planning (Use Classes) Order, 1987, or any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order, the 'urban gallery' shall only be used for advertising, exhibitions, brand and product launches, corporate events, screenings, uses associated with the basement venue. circulation space and retail, and for no other purpose.

Reason: To ensure that the future occupation of the building does not adversely affect the adjoining premises/immediate area in accordance with the requirements of policy A1 of the Camden Local Plan June 2017.

- 49 Notwithstanding the provisions of Class A1 or D2 of the Schedule of the Town and Country Planning (Use Classes) Order, 1987, or any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order, the basement venue shall only be used for community events, exhibitions, product launches, live music, recorded music, awards ceremonies, conferences and fashion shows and for no other purpose.

Reason: To ensure that the future occupation of the building does not

adversely affect the adjoining premises/immediate area in accordance with the requirements of policy A1 of the Camden Local Plan June 2017.

- 50 The ground floor 'urban gallery' and the basement venue shall have a maximum capacity each of 550 people and 800 people respectively.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1, A4 and TC2 of the Camden Local Plan June 2017.

- 51 The ground floor 'urban gallery' and the basement venue shall have a maximum of one event per month where both venues are used together for the same event to maximum capacity and a maximum of two events per week where each venue is used separately up to maximum capacity of 550 and 800 people respectively.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1, A4 and TC2 of the Camden Local Plan June 2017.

- 52 Notwithstanding the details approved in the Transport Statement and Servicing Delivery Plan there shall be:

- (a) a maximum of 99 vehicle servicing and delivery related trips per day serving the development; and
- (b) a maximum of 3 larger vehicles (HGVs) servicing the site at any one time

Reason: To safeguard amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and TC2 of the Camden Local Plan June 2017.

- 53 (a) The new pedestrian routes from Denmark Street to Denmark Place shown on the approved drawings shall be carried out and available for public use prior to first occupation of any of the buildings within Phase A.1.

(b) The new pedestrian route from the new public square (previously Andrew Borde Street) to Denmark Place, shown on the approved drawing, shall be carried out and available for public use prior to first occupation of any of the buildings within Phase A.

Reason: In order to ensure that the development makes sufficient provision for permeability and public access across the site in accordance with the requirements of policy T1 of the Camden Local Plan June 2017.

- 54 No loading or unloading of goods associated with the use of the buildings, including fuel, by vehicles arriving at or departing from the premises shall be carried out outside the following times: 07:00-20:00 Monday to Saturday and 08:00 - 20.00 Sunday and on Public/Bank Holidays.

Reason: To safeguard amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and TC2 of the Camden Local Plan June 2017.

- 55 No loading or unloading of goods, including fuel, by vehicles arriving at or departing from the premises associated with the use of the buildings shall be carried out at the application site otherwise than via the on street servicing bays to Denmark Street.

Reason: To avoid obstruction of the surrounding streets and to safeguard amenities of adjacent premises in accordance with the requirements of policies A1, T1 and T4 of the Camden Local Plan June 2017.

- 56 The relevant part of development shall not commence until details of the proposed public cycle storage areas for
- (a) 46 cycles for the residential units
 - (b) 120 cycles for the commercial units (staff parking and visitors)
- have been submitted to and approved in writing by the Council. These spaces shall be provided prior to occupation of the relevant part of the development and shall thereafter be permanently retained and used for no purpose other than for the parking of bicycles for users and occupiers of the development, unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy T1 of the Camden Local Plan June 2017.

- 57 The refuse/recycling storage areas shown on the approved drawings in the basement and ground floor shall be provided prior to occupation of the relevant part of the development and shall thereafter be permanently retained and used for no purpose other refuse/recycling storage areas, unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure that sufficient provision for the storage and collection of waste has been made in accordance with the requirements of policies A1 and CC5 of the Camden Local Plan June 2017.

Informative(s):

- 1 You are advised that the phases referred to in the relevant conditions relate to the following phasing:

A = new build proposals including building A, building B, York and Clifton Mansions and the south of Denmark Place

B = works to the south side of Denmark Street C = works to the north side of Denmark Street

- 2 1. You are reminded that this decision only grants permission for permanent residential accommodation (Class C3). Any alternative use of the residential units for temporary accommodation, i.e. for periods of less than 90 days for tourist or short term lets etc, would constitute a material change of use and would require a further grant of planning permission.

- 3 For the avoidance of doubt, any highway and public realm improvement works associated with this planning application will be implemented by LB Camden. This includes works on land within the applicant's ownership (red line boundary). Such areas of land are currently maintained as public highway.
- 4 Notwithstanding the drawings hereby approved the public realm works around the building should be in accordance with Gillespies proposals. Further discussion is required between the landowner and Camden and other stakeholders to coordinate the design and implementation of this work.
- 5 This permission is granted without prejudice to the necessity of obtaining the necessary licenses under the Licensing Act 2003. The site is within the Seven Dials Special Policy Area where if representations are received for new licensing applications, they are likely to be refused. Further information can be found in the Councils Statement of Licensing Policy 2011 <http://www.camden.gov.uk/ccm/content/business/business-regulations/licensing-and-permits/general-licensing-information/licensing-policy.en>
- 6 With regard to condition 11 the development of this site is likely to damage heritage assets of archaeological interest. The applicant should therefore submit detailed proposals in the form of an archaeological project design. The design should be in accordance with the appropriate English Heritage guidelines. Should significant archaeological remains be encountered in the course of the initial field evaluation, an appropriate mitigation strategy, which may include archaeological excavation, is likely to be necessary.
- 7 You are advised that conditions 31, 32, 33 and 34 means that no customers shall be on the premises and no noise generating activities associated with the use, including preparation and clearing up, shall be carried out otherwise than within the permitted times.
- 8 With regard to condition 36 you are advised to look at Camden Planning Guidance for further information and if necessary consult the Access Officer, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 5124) to ensure that the internal layout of the building is acceptable with regards to accessibility by future occupiers and their changing needs over time.
- 9 With regard to conditions 8, 9 and 10 the applicant is advised to contact London Underground Infrastructure Protection in advance of preparation of final design and associated method statements, in particular with regard to: demolition; excavation; construction methods; security; boundary treatment; safety barriers; landscaping and lighting.
- 10 The developer and their representatives are reminded that this decision does not discharge their requirements under the Traffic Management Act 2004. Formal notifications and approval may be needed for both the permanent highway scheme and any temporary highway works required during the construction phase of the development.
- 11 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time

which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to
CIL@Camden.gov.uk

- 12 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2363).
- 13 This permission is granted without prejudice to the necessity of obtaining consent under the Town and Country Planning (Control of Advertisements) (England) Regulations 2007. Application forms may be obtained from the Council's website, www.camden.gov.uk/planning or the Camden Contact Centre on Tel: 020 7974 4444 or email env.devcon@camden.gov.uk.
- 14 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying

out construction other than within the hours stated above.

- 15 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.
- 16 The Camden Local Plan was adopted on 05/07/2017, which was several months after the application gained a resolution to grant at Planning Committee on 23/02/2017. When the application was given the resolution to grant, the Local Plan only had limited weight as the Council was yet to consult on its proposed modifications to the Submission Draft Local Plan following comments made by the Inspector during examination. While having limited weight, the emerging policies at the time were considered and referenced within the Committee Report.

Following the adoption of the Local Plan officers have assessed the proposal in line with the new policies, which are mostly consistent with those within the Local Development Framework (the relevant policies with full weight at the time the application was heard at the Planning Committee). The proposal is considered to be wholly consistent with the Local Plan.

The most relevant planning policies for this proposal are A1 and A4, which are wholly consistent with DP26 and DP28 from the LDF.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2018.
