Dear Sir/Madam,

I am writing with respect to the proposed removal of the sycamore tree at 131 Arlington Road, NW1 7ET.

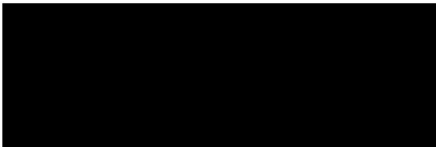

[REDACTED] Since purchasing the property 18 months ago we have been extremely concerned about the health of this tree, which sadly has not been well maintained by previous owners of 131 Arlington Road. As part of our own proposed works, a report was commissioned which highlighted the poor health of the tree and relatively short remaining life expectancy. It is also extremely unsightly and blocks significant levels of light.

Suffice to say, we would be supportive of a decision to allow the removal of the tree, before it potentially falls down causing significant damage to the Grade II listed terrace.

Please feel free to contact me if you would like to discuss further.

With kind regards,
Grant

Grant Parkinson
