Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

**100 Regent's Park Road
London
NW1 8UG**

Proposal: Erection of a single storey infill extension to the rear.

Drawing Nos: TAB350-01; TAB350-02; TAB350-03A; TAB350-04A; TAB350-05A;
TAB350-06.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the

immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: TAB350-01; TAB350-02; TAB350-03A; TAB350-04A; TAB350-05A; TAB350-06.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed single storey infill extension is considered to be subordinate in terms of its form and scale and would preserve the character and setting of the host and neighbouring properties.

The proposed development would be located to the rear of the site and its simple design with in keeping materials would ensure no significant impact to the appearance of the surrounding conservation area would occur as a result of the development.

Whilst the development will have some impact in terms of sense of enclosure to the adjoining property at no.98 Regent's Park Road, due to the proposed extension's height being limited to 5 metres and only adding approximately 0.8m to the existing boundary wall to conceal the extension, there would be negligible harm to the amenity of any adjoining residential occupiers in terms of loss of light, outlook or privacy. The applicant has demonstrated that the ground floor habitable window at no.98 will not be adversely effected in terms of sunlight/daylight.

The Primrose Hill Conservation Area Advisory Committee (CAAC) objected to the original scheme, however have withdrawn their objection based on the revised scheme. The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving or enhancing the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies A1 (Managing the impact of development), D1 (Design) and D2 (Heritage) of the Camden Local Plan 2017, the London Plan 2016 and NPPF 2018.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (Tel. No. 020 7974 4444 or search for 'environmental health' on the Camden website or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2018.

You can find advice about your rights of appeal at:
