

## Residential/Dwelling Units - Supplementary information template

If your proposal includes the gain, loss or change-of-use of residential units (including conversion) please enter the numbers of existing and proposed dwellings according to the number of bedrooms in the appropriate categories and types below.

The form will automatically populate the totals for each section as well as the combined total number of existing and proposed dwellings and the overall net gain/loss of residential units.

Once completed, please save the file on your device and then upload it as a supporting document to the relevant online application using the 'Supplementary Information Template' document type.

Definitions of the housing categories and dwelling types in the table below are available in Annex 1 below.
