Nick, Please find attached three pics of the lime outside No 4 The Grove Highgate N6. You kindly agreed to meet me on site to discuss various works to the trees at The Grove and permission has been granted so thank you for that. This tree however was not applied for but it requires either felling or reducing to the point at which the epicormic is showing. From the point of the epicormic to the top of the tree the wood is severely decayed and the whole tree has significant movement in it and would ask that you consider this email as a five day notice.

Kind regards

Jamie Ryan
