Subject: 2019/0332/T - Fwd: Tree application - 16 Tanza Road

Dear Camden Planning Team

It's been a few years now since I had some maintenance work on the tree in my garden at 16 Tanza Road and it's certainly now due/overdue.

Once again I would like to request to reduce the crown by 1/3rd and ordinarily I'd like this done every 2-3 yrs (its been 4 in fact).

The last application response was from 2015 (enclosed).

2 questions please:

1. Am I able to go ahead (same as before)?
2. Am I able to have a standing request so that I can maintain it for the future without notifying Camden each time please?

Thanks in advance,
Steve Pegg
