Dear Sir/Madam,

I am writing with respect to the proposed removal of the sycamore tree at [REDACTED]  
[REDACTED] 131 Arlington Road, NW1 7ET.

Although it isn't the most unsightly tree in the world, it does block significant levels of light and I believe its relatively poor health could pose a serious risk to the surrounding terraces and gardens. Therefore, I would support the decision for it to be removed.

Please feel free to contact me if you would like to discuss more.

Kind regards,

Orlando Del Maestro
