[REDACTED]

Many thanks for your message. The application you mention was not ours. We had not instructed a tree surgeon.

We are the owners. Our address is 93 Parkhill Road and the tree is located at the rear of the property on Garnett Road. It is a eucalyptus tree.

We would like to get permission to fell the tree if possible.

If you could please set up a works application from the details in this email, that would be greatly appreciated.

Many thanks in advance.

Best wishes, Dhiraj Murthy
