Subject: Comments on revised HNCC planning changes

To whom it may concern - Your website is not clear on how to respond to the latest revisions so I am writing directly to you.

Application 2018/5774/P HNCC

I recently reviewed on the Camden planning website the proposed changes to the HNCC development. I would like to indicate that I am supportive of this development and the changes made to meet local concerns. I do hope it can now go ahead without further delay, and especially in view of continuing cuts and economic downturn in the UK that risk putting this project in jeopardy.

Yours
