2018/6320/P	James Knowles	28/01/2019 18:01:58	OBJEMAIL	<p>Dear Samir,</p> <p>As a 20+ year resident of Parliament Hill, I am highly and personally aware of just how important the first floor function room has been to our community. I have been to many local committee and business meetings held there; comedy and theatre nights hosted there, and birthday, wedding and wake celebrations which brought our community together there.</p> <p>That the upper floors have lost their capacity to offer pub staff local housing is a loss which may have to be accepted for The Magdala to remain financial viable. To remove the function room would, I believe, leave the remaining 'rump' of a formerly vibrant community asset as unworkable and ultimately doomed to failure.</p> <p>My sincere thanks for taking such a close interest in our pub.</p> <p>James.</p>
