2018/6320/P	Miki Yamanouchi	29/01/2019 13:02:47	COMMNT	The Magdala had been a dear place for locals to hold gatherings, comedy nights, cinema screenings on 1st floor that supported by neighbours. The pub has been missed greatly by us since its closure and closely watched what is going on regarding the future. I strongly object what is planned for 1st floor of 2A South Hill Park to convert to residential use as this has to be a part of the pub downstairs for community and visitors to lead cultural, people-bind life in pubs - English institute we treasure.
