Dear Sir/Madam

## DECISION

Town and Country Planning Acts 1990 (as amended)

### **OBJECTION TO SECTION 211 NOTICE OF WORKS TO TREE/S IN A CONSERVATION AREA**

Address:

**11 Bramshill Gardens  
London  
NW5 1JJ**

Description:

FRONT GARDEN: 1 x Cherry (T1) - Fell to ground level

The Council has considered your notification of intended works to trees dated 12 November 2018 and decided to **OBJECT** for the following reasons:

Reasons for objection:

- 1 The cherry is highly visible from the public realm and is considered to provide visual amenity and to make a positive contribution to the character of the area and the street scene. The tree is in good condition with a considerable safe useful life expectancy.

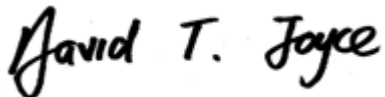

The stated reason for wishing to remove the tree is damage to the garden wall however at the time of the site visit the wall had been rebuilt. Damage to a garden wall is not necessarily considered to be a sufficient reason to justify the removal of a tree that is worthy of being brought under the protection of a TPO as walls can be repaired (as has been done) and engineering solutions that take account of the presence of the tree should be explored.

A tree preservation order has been served to protect the visual amenity the tree provides and preserve the character of the conservation area.

**A Tree Preservation Order has been served on the tree/s and no work should be carried out without the prior consent of the Council.**

Yours faithfully
