Dear Mr Whittingham

Re: Application No: 2018/4826/P

I abroad abroad all of December and returned 3rd January to see notice attached.
I tried to call your office but after waiting 20 minutes, decided to try and make comment via the planning applications website, but unable to find where to place comments I thought bet to write.

I notice the application by 1 the Mount is for a condenser in their garden. My concern is that it will no doubt make a noise while in operation. Can you please check that it's output is not going to effect the enjoyment of our garden?

If it is likely to cause any kind of disturbance, we strongly object, if not we have no issue.
I would be grateful for your advice on this.

Are you affected by this planning application?

The Council has received an application for the following:

	Application Number: 2018/4826/P	Associated Application Number: 2018/5773/L
Installation of condenser unit and associated acoustic enclosure in rear garden.		Installation of condenser unit and associated acoustic enclosure in rear garden.
At: 1 The Mount London NW3 6SZ
