2019/0253/T	Astrid Sharkey	31/01/2019 16:52:17	OBJ	<p>I wish to object to this application on behalf of Grove Terrace Mews the semi rural private lane that runs to the back of Boscastle Road.</p> <p>This application lacks any clarity as to the necessity of 10 piles being located near the wall to the listed Grade 11* Grove Terrace Mews. There does not appear to be any planning application for a structure there. The proposed pilings could pose considerable harm to the roots of this beautiful old tree. Application no 2018/4532/T sought to fell the tree which is now the subject of a TPO because of its contribution to the Conservation Area. It is part of a large and important green space of long gardens framed by Boscastle Road houses on one side and Grove Terrace on the other where there are other fine examples of similarly aged yew trees.</p>
