2018/5817/P	judith reinhold	31/01/2019 13:03:03	SUPNOT	<p>I am writing in my capacity as the Company Secretary of 157 King Henry's Road. I wholeheartedly support this application for a loft conversion to the top floor of this house. I consider it be an excellent plan and totally in keeping with the rest of the house and the neighbourhood. The flat is in a very bad state at the moment and urgently needs to be renovated. I am surprised at the comments about Elsworthy Road. I have noted several new buildings in Elsworthy Road which do not appear to be in keeping with the local conservation area whereas this renovation has been handled sensitively with careful consideration of the appearance of the house and the local area. The applicant consulted all the freeholders in the house before submitting his application.</p>
