

## **HELP SAVE OUR COMMUNITY HALL!**

Camden Council is planning to turn a remarkable and historic community hall - the 'People's Gospel Mission Hall' (now called the 'Fresh Youth Academy') - into two private houses which they will sell.

The Gospel Mission Hall/Academy is a treasure to the community - an ideal venue for a rare variety of activities involving people of all ages. It has a stage and exceptionally fine acoustics which are perfect for music/drama/dance performances and workshops. It is the only theatre space for many miles around.

It also has a large screen for showing films.

In addition, the building provides fitness training for teenagers through to over 80s; youth club events, study/training groups; activities which include those who would otherwise feel isolated and lonely; and significant community celebrations.

About 40 years ago the hall was donated by a benefactor 'to the people'. Recently (in 2014-15) the building was recently refurbished to an excellent design and at considerable expense to Camden taxpayers. It is in sound condition.

Turning it into two houses would serve a few who could be accommodated elsewhere, whereas as the Gospel Hall/Fresh Youth Academy it offers unique facilities for thousands and is an irreplaceable piece of our heritage.

We think it would be an act of senseless and unforgivable vandalism to destroy it, and a deplorable waste of taxpayers' money. We urge Camden Council to save the the building for community use.
