Solar Court, 88 Delancey Street, London. NW1 7SA.

Display of vinyl graphics to exterior of windows at ground floor level.

Application number: 2018/4751/A

Application type: Advertisement Consent

This advertisement has already been installed. If this is permanent we object. The red colour is too prominent and dominates the view of this site.

We would have liked to submit this comment but clearly the application was not in our hands at the right time to make the comment as the last date was a month ago.

This could be due to the disruption of the committee during the departure of the long term chairs.
