Dear Sirs,

**TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)**

**APPLICATION FOR A LAWFUL DEVELOPMENT CERTIFICATE FOR AN EXISTING USE OR OPERATION**

**FLAT 20, 240-242 KILBURN HIGH ROAD, LONDON NW6 2BSP**

We refer to the recent advice provided by Mr Gary Bakall to the applicants and submit this application for a Lawful Development Certificate for this property via the Planning Portal for this property for your kind attention.

We attach a copy letter from Mr Bakall to Mr Kherallah dated the 26<sup>th</sup> February 2013 that confirms that the Council accepts that, on the evidence provided, the residential use of 240-242 Kilburn High Road London NW6 2BS as 27 Flats has been in existence in excess of 4 years and is therefore immune from enforcement action.

We rely on the information provided in the Council's letter of the 26<sup>th</sup> February 2013 to provide evidence that the property has been immune from enforcement for over 10 years (4 years at least before 2013) and support the application and look forward to receiving the Certificate of Lawful Development in due course.

Please contact the writer however if any further information or clarification is required.

Yours faithfully.

Peter Stanway.

Thank you for the information provided on the 18<sup>th</sup> February in response to the Planning Contravention Notice dated 22<sup>nd</sup> January.

On the basis of the evidence provided the Council accepts that the residential use of the above-mentioned property as 27 flats has been in operation in excess of four years and is therefore immune from enforcement action.
