Reason: In order to enable the Local planning authority to control the effects of the advertisement on the visual amenity of the area in accordance with policy D4 (Advertisements) of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reason for granting consent

The proposal is to extend the temporary period of display for an advertisement previously granted consent. The extended period is required due to recently approved amendments 2018/4539/P granted on 04/01/2019 to the original scheme 2013/3983/P granted 11/04/2014. The proposal is considered acceptable in size and location as it screens a building undergoing refurbishment. The scaffolding

covers the entire elevation with netting displaying a 1:1 image of the completed building with the advertisement covering 10% of this display, which respects the architectural form and scale of the building. The Council would not grant consent for such an advertisement on a permanent basis; however, for a limited time the advertisement would screen the unsightly construction works and would not be considered unduly dominant in this commercial locality, and would not detract from the buildings character and appearance and wider Bloomsbury Conservation Area.

In terms of size and siting, the proposal is not considered would not be considered to disturb neighbouring occupiers nor would they be considered hazardous to road users raise no public safety concerns.

No objections have been received prior to making this decision and the site's planning and relevant enforcement history has been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policy D4 (Advertisements) of the Camden Local Plan 2017. The proposed development also accords with the policies of the London Plan 2016 and the National Planning Policy Framework 2018.
