Dear Kate,

Hope this finds you very well.

As promised, please find enclosed the amended drawings relating to my planning application for 8, Kelly Street originally dated 08.11.18.

I also enclose the revised design statement and amended application form. (Dated 06.02.19)

The new revised drawings are:

RE 03 / REV A  
RE 05 / REV A  
RE 07 / REV A  
RE 08 / REV B  
RE 10 / REV A  
(All dated 06.02.19)

NB – these drawings do not refer to lime plaster specifically– as the original drawings did not include any reference to rendering/plastering, however this is specifically dealt with in the accompanying design statement.

---

I think this should now meet all your requirements, as laid out in the various emails from yourself and Colette dated: 17<sup>th</sup>, 29<sup>th</sup> and 30<sup>th</sup> Jan.

Let me know if you need anything else otherwise, I look forward to the approvals soon.

Thanks very much in advance and for your help on-going.

All the very best,

  
Bakul Patki
