2018/6335/P	SAMANTHA HARRIS	17/02/2019 20:15:12	OBJ	Dear Camden Council [REDACTED] The new tenants we work installed this plant during the Summer began running it without permission and we called out enforcement officers to deal with it. I object strongly to the permission for it as no plant was there previously and our bedrooms during the day and nighttime are very quiet, as they have been for the last 15 years we have lived here. Even with acoustic baffling around it, this plant will disturb our everyday lives and the level of noise will be unacceptable to local residents.
