2018-6350/P	Christopher Hanson	16/02/2019 10:52:23	OBJEMAIL	<p>[REDACTED]</p> The canopy will allow for more functions to be held in the space, and I am concerned about noise levels particularly in the evenings and at night. The proposed structure seems to have been designed without any regard to minimising noise levels from these events in what is a residential area.
