Proposal	Replacement of all single glazed fenestration with timber double glazing, replacement of 3x front rooflights and replacement of rear balustrade and timber screens. Replacement of front bin store.
Objection	Yes
Comment	Yes
Observations	(additional comment submitted as follows) If the windows are original our view is that secondary glazing should be introduced in order to retain the distinctive original window fabric, glazing pattern and window glass and we would object to the loss of these elements. Object to the proposed bin store if this is an obstruction on the highway. Otherwise the design would be acceptable and we note this is a replacement not new work. Kathryn Stubbs for BCAAC
