Dear Tree officers and planners,

List 515

[REDACTED]

2019/0655/T

The previous owner has contacted me as she said she did not have an apple tree, she said it was a flowering cherry.

(Please advise on this). I see that previous pruning work has been carried out. If you decide to keep the tree, please ensure that work is undertaken to improve the shape of the crown.

Thank you,
Eileen
