Proposal	Alterations to front garden, including; Installation of brick paving and steps to entrance portico and side passage towards rear garden. (Retrospective).
Objection	Yes
Comment	Yes
Observations	<p>The application is for work that has already been carried out which is regrettable. The, most likely, original mosaic paving by the front door and the later modern paving has been removed and replaced by brick paviours. We object to the loss of the mosaic paving which is a distinctive feature of the houses in Belsize Park Gardens and in other instances has been conserved, repaired or reinstated. We object to the new brick paviours which are not In keeping with the date, design or character of this house or of Belsize Park Gardens.</p> <p>Kathryn Stubbs for BCAAC</p>
