Camden Town Hall Extension
Argyle Street
London WC1H 8EQ

Application for Planning Permission and for relevant demolition of an unlisted building in a conservation area Town and Country Planning Act 1990

Publication of applications on planning authority websites.

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

1. Site Address

Number	12
Suffix	
Property name	Basement Flat
Address line 1	Marsden Street
Address line 2	
Address line 3	
Town/city	London
Postcode	NW5 3HD

Description of site location must be completed if postcode is not known:

Easting (x)	528377
Northing (y)	184791

Description

Lower & Upper Ground floor Maisonette - freehold of houses owned by resident of this property

2. Applicant Details

Title	Ms
First name	Jean
Surname	Prentice
Company name	
Address line 1	Basement Flat, 12, Marsden Street
Address line 2	
Address line 3	
Town/city	London
Country	

2. Applicant Details

Postcode	NW5 3HD
Primary number	
Secondary number	
Fax number	
Email address	

Are you an agent acting on behalf of the applicant?

Yes No

3. Agent Details

Title	Mr
First name	Jeremy
Surname	Gay
Company name	Origin Architecture Ltd.
Address line 1	5 Forest Way
Address line 2	
Address line 3	
Town/city	London
Country	United Kingdom
Postcode	N19 5XG
Primary number	07718586776
Secondary number	
Fax number	
Email	info@originstudio.co.uk

4. Site Area

What is the measurement of the site area?
(numeric characters only).

105

Unit

sq.metres

5. Description of the Proposal

Please describe details of the proposed development or works including any change of use and details of the proposed demolition.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Demolition and replacement of existing single storey rear extension. Demolition and replacement of front main stair case. New lower ground floor access under external stair. Modified and additional windows and doors to the rear. Associated landscaping works and internal remodeling.

Has the work or change of use already started?

Yes No

6. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

Demolition of the rear extension to allow the construction of an improved higher quality design. demolition to allow for adaptation and introduction on new windows. Demolition of the front stair which is in a poor and unsafe state to allow the replacement stair matching the design of others on the same terrace.

7. Existing Use

Please describe the current use of the site

C3 residential

Is the site currently vacant?

Yes No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated

Yes No

Land where contamination is suspected for all or part of the site

Yes No

A proposed use that would be particularly vulnerable to the presence of contamination

Yes No

8. Materials

Does the proposed development require any materials to be used in the build?

Yes No

Please provide a description of existing and proposed materials and finishes to be used in the build (including type, colour and name for each material):

Walls	
Description of existing materials and finishes (optional):	Brick and render
Description of proposed materials and finishes:	Brick and render

Roof	
Description of existing materials and finishes (optional):	polycarbonate
Description of proposed materials and finishes:	Insulated timber and GRP roof with anthracite grey finish and double glazed roof lights

Windows	
Description of existing materials and finishes (optional):	Single glazed timber sash and casement windows painted white. UPVC windows and doors in some areas to the rear
Description of proposed materials and finishes:	Double glazed timber sash and casement windows painted white. High performance aluminium framed sliding doors and windows to lower ground at rear with anthracite grey finish

Doors	
Description of existing materials and finishes (optional):	Timber
Description of proposed materials and finishes:	Timber part L compliant

Boundary treatments (e.g. fences, walls)	
Description of existing materials and finishes (optional):	London stock brick walls and timber fences

8. Materials

Boundary treatments (e.g. fences, walls)

Description of proposed materials and finishes:

London stock brick walls and timber fences

Vehicle access and hard standing

Description of existing materials and finishes (optional):

Concrete pavers

Description of proposed materials and finishes:

High quality stone pavers

Lighting

Description of existing materials and finishes (optional):

black metal

Description of proposed materials and finishes:

black metal

Other type of material (e.g. guttering) Rainwater goods

Description of existing materials and finishes (optional):

Black metal and plastic

Description of proposed materials and finishes:

Black metal and plastic

Are you supplying additional information on submitted plans, drawings or a design and access statement?

Yes No

If Yes, please state references for the plans, drawings and/or design and access statement

Please refer to drawing list on drawing L-001 and within the Design, Access and Heritage statement

9. Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicular access proposed to or from the public highway?

Yes No

Is a new or altered pedestrian access proposed to or from the public highway?

Yes No

Are there any new public roads to be provided within the site?

Yes No

Are there any new public rights of way to be provided within or adjacent to the site?

Yes No

Do the proposals require any diversions/extinguishments and/or creation of rights of way?

Yes No

10. Vehicle Parking

Is vehicle parking relevant to this proposal?

Yes No

11. Trees and Hedges

Are there trees or hedges on the proposed development site?

Yes No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?

Yes No

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of your local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

12. Assessment of Flood Risk

Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority requirements for information as necessary.) Yes No

If Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site.

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? Yes No

Will the proposal increase the flood risk elsewhere? Yes No

How will surface water be disposed of?

Sustainable drainage system

Existing water course

Soakaway

Main sewer

Pond/lake

13. Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species:

- Yes, on the development site
 Yes, on land adjacent to or near the proposed development
 No

b) Designated sites, important habitats or other biodiversity features:

- Yes, on the development site
 Yes, on land adjacent to or near the proposed development
 No

c) Features of geological conservation importance:

- Yes, on the development site
 Yes, on land adjacent to or near the proposed development
 No

14. Foul Sewage

Please state how foul sewage is to be disposed of:

Mains Sewer

Septic Tank

Package Treatment plant

Cess Pit

Other

Unknown

Are you proposing to connect to the existing drainage system? Yes No Unknown

If Yes, please include the details of the existing system on the application drawings. Please state the plan(s)/drawing(s) references.

See existing and proposed plans

15. Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste? Yes No

If Yes, please provide details:

see existing and proposed plans - showing storage in front garden

Have arrangements been made for the separate storage and collection of recyclable waste? Yes No

If Yes, please provide details:

see existing and proposed plans - showing storage in front garden

16. Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste? Yes No

17. Residential/Dwelling Units

Due to changes in the information requirements for this question that are not currently available on the system, if you need to supply details of Residential/Dwelling Units for your application please follow these steps:

1. Answer 'No' to the question below;
2. Download and complete this supplementary information template (PDF);
3. Upload it as a supporting document on this application, using the 'Supplementary information template' document type.

This will provide the local authority with the required information to validate and determine your application.

Does your proposal include the gain, loss or change of use of residential units? Yes No

18. All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace? Yes No

19. Employment

Will the proposed development require the employment of any staff? Yes No

20. Hours of Opening

Are Hours of Opening relevant to this proposal? Yes No

21. Industrial or Commercial Processes and Machinery

Please describe the activities and processes which would be carried out on the site and the end products including plant, ventilation or air conditioning. Please include the type of machinery which may be installed on site:

NA

Is the proposal for a waste management development? Yes No

If this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authority should make it clear what information it requires on its website

22. Hazardous Substances

Does the proposal involve the use or storage of any hazardous substances? Yes No

23. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land? Yes No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)

- The agent
- The applicant
- Other person

24. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application? Yes No

25. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent. Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

26. Ownership Certificates and Agricultural Land Declaration

CERTIFICATE OF OWNERSHIP - CERTIFICATE A - Town and Country Planning (Development Management Procedure) (England) Order 2015 Certificate under Article 14

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.

Person role

- The applicant
- The agent
