Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 of the London Borough of Camden Local Plan 2017.

#### Informative(s):

- 1 Reasons for granting permission

The application seeks to replace the existing single glazed timber windows with double glazed frames, replicating the existing design, style and details.

A small number of windows contain glazing bars, and the section drawing indicates that the proposed glazing bar structure would provide an acceptable approach to maintain the windows' integrity. Following feedback, the proposals were revised from uPVC to timber frames to provide a better quality and more sustainable material, appropriate to the building's age and architectural style and to preserve the building's character.

All replacement frames would sit in existing openings, as such there would be no neighbour amenity impact.

No objections were received prior to making this decision. The planning history of the site and surrounding area were taken into account.

The proposal is in general accordance with policies A1 and D1 of the Camden Local Plan (2017). The proposed development also accords with the policies of the London Plan 2016 and National Planning Policy Framework 2018.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 This approval does not authorise the use of the public highway. London WC1H 9JE (Tel. No 020 7974 4444) . Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.

- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website at <https://beta.camden.gov.uk/documents/20142/1269042/Camden+Minimum+Requirements+%281%29.pdf/bb2cd0a2-88b1-aa6d-61f9-525ca0f71319> or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel.
