Dear Sir  
[REDACTED]

We have received a copy of the letter of objection submitted by Apar Smith Planning on behalf of the Fitzroy Park Residents Association dated 18 February and the other responses on your website.

We are concerned at the deficiencies and inaccuracies in the Application enumerated in the FPRA Letter and agree that the LB Camden should reject the Application because of those deficiencies and inaccuracies.

We also consider the proposed development gross overdevelopment of the site and damaging to the character of the area including the Heath and roadways of Millfield Lane and Fitzroy Park and we object to the proposal and urge the LB Camden to reject the application..

Yours Sincerely

**S R Stephens**
