We want to ensure it remains diverse with a good range of easy to access services for residents and workers.</p> <p>We are a local, independent business with local clients in Primrose Hill and we are simply trying to move from one shopfront office to another in the area.</p> <p>We offer a broad range of financial advice and support to local people and are keen to maintain our shopfront office as we feel we offer an important service that needs to be visible (we are currently on Gloucester Ave and invite commenters to take a look at our lovely office there).</p> <p>We want to remain local for our clients and stay in Primrose Hill.</p> <p>We will be offering lots of free education and support to local residents/workers from the new office and feel we will bring people to the other shops on Chalcot Road. We encourage you to support our application.</p> <p>We are not connected to an estate agent and it would not be appropriate, nor practical for us to share offices with one.</p>
