2019/0916/T	Leanne Bassett	25/02/2019 10:19:52	COMMNT	I watched 41 Frognal take down many rear garden trees on Feb 8 2019. I was horrified. I would like confirmation that they had proper permission on the 8th. I am obviously confused as the letter of intent only came out on the 19th. They also took down a tree about 15 months ago and I am sure they did not have permission.
