**APPEAL AGAINST REFUSAL OF LISTED BUILDING CONSENT FOR WORKS AT
31 DOWNSHIRE HILL PROPOSED IN OWNER'S REQUEST
SUBMITTED 4 FEBRUARY 2018**

In 2013 a Planning Application was made in respect to 30 Downshire Hill (next door to 31 Downshire Hill) in which, among other things, complete removal of the back basement chimney breast for accommodation of what appears to be a cooker was proposed and granted. The Application number was 2013/2791/P. Both numbers 30 and 31 Downshire Hill were listed Grade II on 14 May 1974. Number 30 is larger than 31 and more historically noteworthy since it retains its original façade.

Included in this Appendix are drawings which accompanied the Application and show the back basement kitchen with chimney breast, see drawing no. 335-101-E, Existing Lower Ground Floor Plan, dated 16-04-2013, also the approved drawings showing that the chimney breast has been removed, see drawing no. 335-101-A, Approved Lower Ground Floor Plan, dated 16-04-2013.
