Dear Sir or Madam,

Further to the email below from [REDACTED] please find the comments from [REDACTED] below:

We have not been informed by our landlord or agency of the planned works at 59 Greencroft Gardens and as we have received no assurances to the contrary, we would like to complain because we do not want any interference with our quiet enjoyment of the property or indeed our ability to reside at the property during our term of tenancy.

Thank you for your time.

Yours faithfully,

Helena Ferreira, Alessandra Green and David Resch [REDACTED]

I am commenting on behalf of the tenants of the second floor flat at [59 Greencroft Gardens NW6 3LL](#).

Contrary to the following legislation we were not notified by the applicant upon their application made to the London borough of Camden - Town and country Planning (Development Management Procedure) (England) Order 2015 which states:
13.—(1) Except where paragraph (2) applies, an applicant for planning permission must give requisite notice of the application to any person (other than the applicant) who on the prescribed date is an owner of the land to which the application relates, or a tenant—
(a) by serving the notice on every such person whose name and address is known to the applicant;
